DATE MAILED: 08/23/2002

Notice of Possible Fee Increase on October 1, 2002

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after October 1, 2002, then the amount due may be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there may be an increase in fees effective on October 1, 2002. See Revision of Patent and Trademark Fees for Fiscal Year 2003: Notice of Proposed Rulemaking, 67 Fed. Reg. 30634, 30636 (May 7, 2002). Although a change to the amount of the publication fee is not currently proposed for October 2002, if the issue fee or publication fee is to be paid on or after October 1, 2002, applicant should check the USPTO web site for the current fees before submitting the payment. The USPTO Internet address for the fee schedule is: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of any fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after October 1, 2002 (or mailed with a certificate of mailing on or after October 1, 2002), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

DETAILED ACTION

1. The Amendment A filed on 07/16/2002 has been entered. Claims 1-55 are pending in this Office action.

Claims 5, 18, 28-39 and 41-52 have been cancelled without prejudice or disclaimer of subject matter. New claims 54 and 55 have been added. Claims 6-17 are renumbered 5-16; claims 19-27 are renumbered 17-25; claim 40 is renumbered 26; claims 53-55 are renumbered 27-29, respectively.

Reasons for Allowances

The following is an examiner's statement of reasons for allowance:

2. The rejection of claims 1, 14, 27 and 40 has been withdrawn. Claims 1, 14, 27 and 40 have been amended. No new matters are added. Claims 1, 14, 27 and 40 are allowed over prior art because the prior art fails to show the following limitations in the claims: "assigning means for assigning group identification information to manage the group communication in response to the request" and "assigns the group identification information at the time the group is formed". The prior art seems to disclose administration of mobile station user groups in a wireless communication system in which user groups have been pre-registered with user group identification.

3. Newly added claims 54 and 55 contain substantially similar features as amended independent claims 1, 14, 27 and 40; therefore, claims 54 and 55 are also allowed over prior art.

4. Claims 2-13 and 15-26 are allowed over prior art due to dependency on base claims.

5. Regarding claims 1, 14, 27, 40 and 53-55, the prior art fails to show or render obvious the following limitations when being used in combination with other limitations in the claimed application: "requesting group communication in a group by forming the group...", "assigning group identification information at the time the group is formed to manage the group communication in response to the request".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Khanh Tran whose telephone number is 703-305-2384. The examiner can normally be reached on Monday - Friday from 08:00 AM - 04:00 PM.
